Introduction

In addition to Fish Pool Rulebook, the rules set out in this appendix to Options Traded at Fish Pool.

The terms of this Appendix 8: Options will apply to all Options listed at Fish Pool. In the event of any conflict between the Rulebook and these terms, the Rulebook shall prevail.

Options are, for the time being, delisted. No Trading of Options can be done before Options are again listed.

Explanations and definitions

Cleared Option	Option with settlement by the Clearinghouse
Closing Price	The market price for the relevant Future Month assessed daily by Fish Pool and for the relevant Option assessed by the Clearinghouse.
Cleared Trade	An agreement with respect to a Financial Salmon Contract, constituting a Cleared Future or Option
Option (Call or Put)	An Option entitles the Option Writer to receive an Option Premium and the Option Holder to receive an Option Cash Settlement from the Option Writer as specified in the Product Specification.
Option - Asian	An Asian Option is an option contract in which the payoff is based on the difference between the Exercise price and the Monthly Settlement price.
Option Exercise Price	The Option Exercise Price (also called strike price) is set in the Trade Confirmation for an Option. The difference between the fixed Exercise price and the Monthly Settlement Price defines the value of the Option at time of Settlement.
Option Expiry Day	The day on which an Option is subject to expiry for cash settlement
Option Cash Settlement	<p>The Option Writer of a Call Option shall pay the Option Holder the positive difference calculated as the Settlement price minus the Option Exercise Price for each month of the Option.</p> <p>The Option Writer of a Put Option shall pay the Option Holder the positive difference calculated as the Option Exercise price minus the Settlement price for each month of the Option.</p>
Option Holder	The party to an Option that shall pay the Option Premium and subsequently be entitled to Option Cash Settlement.
Option Premium	Price agreed between the Option Holder and Option Writer when entering into an Option. An, Option Holder shall pay and the Option Writer shall receive the Option Premium.

Option Writer	Party to an Option which is entitled to the Option Premium while under the obligation to pay Option Cash Settlement.
Trade	In addition to the definition in Fish Pool Rulebook: Also an agreement constituting a Cleared Option.
