General provisions

The terms of this Appendix 3: Fee List will apply to all Products at Fish Pool. In the event of any conflict between the Rulebook and these terms, the Rulebook shall prevail.

The Clearinghouse collects the Trading Fee. The Clearing fee for Cleared Trades are set and collected according to the rulebook of the Clearinghouse.

Trading Fee Cleared Trade

For all Cleared Trades, each Party is obliged to pay a Trading Fee of 0,10 NOK/kg (or 100 NOK/tonne) to Fish Pool. The Trading Fee for Trading a volume of 10 tonnes will thus be 1000 NOK.

Trading Fee for Financial Institutions and General Clearing Members (GCM)

Financial institutions with a license for trading on behalf of and for the account of a third party and who has signed a Financial institutions membership agreement with Fish Pool or a General Clearing Membership agreement with the Clearinghouse is obliged to pay a Trading Fee of 0,08 NOK/kg (or 80 NOK/tonne) to Fish Pool, without volume discounts. The Fee for Trading a volume of 10 tonnes will thus be 800 NOK.

Annual fees and entrance fees

There are no annual fees or entrance fees at the present time at Fish Pool.

Fee for using Electronic Trading System - ETS

There are no fees for using www.salmonprice.com at the present time at Fish Pool.

Discounts for Cleared Trading

Trade Members Trading more than 20.000 tonnes/year are charged 0,07 NOK/kg for all volume exceeding 20.000 tonnes.

Trade Members can choose to commit to a minimum annual Trade volume of 20.000 tonnes and get a volume discount from the first tonne Traded as follows:

30 % discount on Trading Fees = 0,07 NOK/kg or 1.400.000 NOK/year. Charged as 116.600 NOK/month.

Within January 31st each year the Trade Member must notify Fish Pool if they want the discounts. The discount will apply for the full calendar year and cannot be terminated during the year.

Trade Members accepting the discount will be charged a fixed monthly Trading Fee only until the minimum Trade volume has been surpassed. (Zero variable Trading Fee. Variable Clearing fee will be charged by the Clearinghouse).

When the minimum Trade volume has been surpassed, a final Fee calculation will be done by the end of the quarter. From the beginning of the next quarter, only the variable Fee will be charged.

Example: Trade Member A has notified Fish Pool a minimum Trade volume of 20.000 tonnes. During third quarter 20.000 tonnes was passed, and a total of 21.500 tonnes was traded by September 30th. Settlement will be as follows:

- Fixed Fee of 116.600 NOK will be charged by the end of each month, Jan-Sept totalling 1.049.400 NOK
- Total Fee calculation for 21.500 * 0,07 NOK/kg = 1.505.000 NOK
- Fee calculation of the difference 455.600 will be charged in the beginning of October
- For all trades in Q4 a variable Fee of 0,07 NOK/kg will be charged. No fixed monthly Fee.

Strategy discounts and exiting a position within one month

Trade Members get a fee discount if reported to Fish Pool and confirmed for the following cases:

1. Exiting a trade on an end-user account within one month after Trading.

Example: bought 100 t/m for Q3+Q4. Selling part (ex. 30 t/m) or all of the 100t/m for Q3+Q4 contract within one month. 100% of the clearing and trading fee for the volume exiting the position will be refunded by the end of the month. Free exit from Fish Pool and Nasdaq Clearing, but please note that banks may apply a fee.

2. Trading a strategy.

Example: time spread with two legs: (buy Q1 and sell Q2 contracts) is given a 50% fee discount. 100% of the clearing and trading fee of the leg with the lowest volume will be refunded by the end of the month.

Broker fee for Block Trades

At present there are no fixed cost for being a Broker. A Broker fee of 0,03 NOK/kg for each party in a Block Trade, totalling 0,06 NOK/kg or 60 NOK/tonnes is to be paid to Fish Pool for Block Trades submitted to Fish Pool.

See Regulatory information on the Website for minimum lot sizes and Pre- and Post trade transparency rules.

Index fee

By signing a Financial Distributor Membership Agreement with Fish Pool, the use of Fish Pool Index will be granted.

For the purposes of Settlement of bilateral contracts between the Financial Trade Member and its clients an Index fee of 0,05 NOK/kg for each party, totalling 0,10 NOK/kg or 100 NOK/tonne is to be paid to Fish Pool.

Changes of fees

Fish Pool board of directors may decide changes in fees. An increase in fees requires a one month notice period, both by a publication on the Fish Pool Website and by an e-mail to the Responsible Person of all Trade Members. A fee reduction requires no notice period.
